Connect the parts of your system

The work collected under “Brand & Marketing” shows one part of a working system. We can help connect that part to the rest of your operation. A site that is quick, findable and editable by your own staff, without a bill for every change of wording.

Fixed a sitemap with one shared timestamp

Fixed a sitemap where 172 of 176 URLs shared one modification timestamp, by taking the date from git history after establishing that the export rewrites every file on every run.

Focus the engineering effort

Describe the workflow, the existing interfaces and the users who need the change. We can define a testable delivery and a handover that lets your team maintain it.
