{ GIS & Geospatial Solutions }

Maps that answer questions

Anything that happens in a place — vessels, vehicles, plots, sensors — put on a map you can search, measure and share.

Still working out what you need?

Tell us what is going wrong, or what you are trying to build. We will tell you what it would take, roughly what it would cost, and whether we are the right people for it.

From 1,400 DKK an hour, excluding VAT — and less per hour on a longer booking.
