# Working in more than one language

Software that reads naturally in every market you sell in, including the dates, the currencies and the way names sort.

## Still working out what you need?

Tell us what is going wrong, or what you are trying to build. We will tell you what it would take, roughly what it would cost, and whether we are the right people for it.

**From 1,400 DKK an hour, excluding VAT — and less per hour on a longer booking.**
